

Mexico

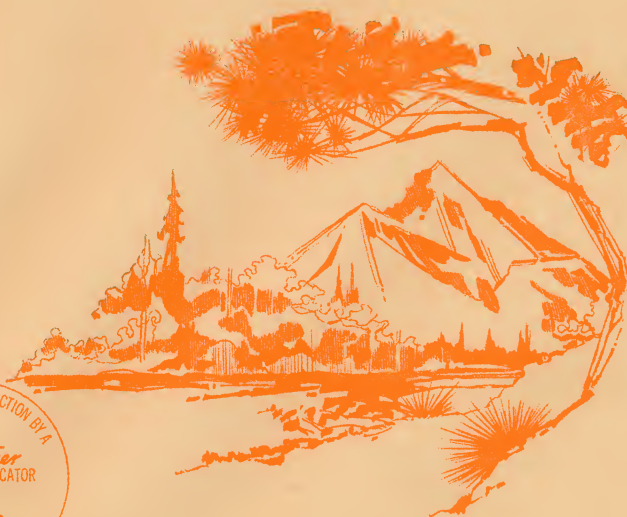

In Spanish it's Mejico, but still an excellent place for vacation-minded people. If it's foreign atmosphere you want, your Southwestern neighbor has it.

THE PLEASANT, TEMPERATE CLIMATE APPEALS TO THE 'RELAXER' - THE RUINS THAT ECHO HISTORY ENTICE THE CULTURE-SEEKER. VISIT THE LIBRARY AT THE UNIVERSITY OF MEXICO TO SEE A VIVID EXAMPLE OF THE ADVANCEMENTS MADE IN THIS COUNTRY, THAT PEOPLE USUALLY ASSOCIATE ONLY WITH THE SIESTA AND BURRO.

SIGHTSEERS MARVEL AT MEXICO'S NATURAL WONDERS. EXPLORE A DORMANT VOLCANIC PEAK THAT IS SURROUNDED BY SCENERY UNSURPASSED. SEE A SAPODILLA TREE, THE BEARER OF 'CHICKLE' WHICH IS MADE INTO GUM. EAT A TORTILLA, OR ANY OTHER DELICIOUS MEXICAN DISH. BUY A SOMBRERO, AND ACT LIKE A MEXICAN. GO TO MEXICO

AND HAVE THE TIME OF YOUR LIFE. YOU'LL BE GLAD THAT YOU GOT TO KNOW YOUR NEIGHBOR.
